Plants are perishable. The SWCD is not responsible for the condition of trees or shrubs after pickup, due to their perishable nature. We are not able to split or change bundle size. Trees and shrubs may **NOT** be resold.

The SWCD does not guarantee survival and/or replacement of trees. Size is subject to change without notice. Refunds will only be made if stock is exhausted. **Failure to pick up your order during the allotted times will result in the loss of payment and possible loss of trees.**

On rare occasions, pick-up dates or orders may need to be changed. Efforts will be made to contact customers with as much notice as possible if this occurs. Please check all email folders as messages may go to spam filters. Updates are also posted on our website.

All orders must be paid in full to confirm order.
 For best availability, order online: www.southstlouisswcd.org
 To order by mail, send your completed order form and check written to South St. Louis SWCD to the address below. We will contact you if your selections are sold out. Receipts are only sent if email is provided on order form.

South St. Louis SWCD
4215 Enterprise Circle
Duluth, MN 55811

As inventory is constantly changing, please check our website for current availability. The SWCD does its best to anticipate demand but does not guarantee availability. Many varieties will sell out before the order deadline, so order early.
